

Warranty

PAG products have earned a reputation throughout the world for excellence in quality, reliability and performance. The PAG Warranty reinforces this reputation by guaranteeing each product for a period of 18 months, unless otherwise stated.

PAG L95 and L110 Batteries, PAG Chargers and 12V Paglights carry a 2 year warranty.

Refer to the product Instruction Manual for full warranty terms and conditions.

Customer Service & Support

A full after-sales support service is provided by PAG throughout a product's lifetime, which includes servicing, repairs and technical advice.

PAG maintains a worldwide network of Authorised Service Centres. These facilities have a wealth of specialist knowledge, which is the result of PAG's 40 years of experience. Using PAG's Authorised Service Centres is the only way to ensure the continuation of the quality standard for which you first chose PAG products.

For servicing outside of the UK contact your nearest PAG Agent via the PAG website at **www.paguk.com**

For servicing in the UK contact the PAG Service Department:

Email: **service@paguk.com**

Mail: **PAG Ltd. 565 Kingston Road, Raynes Park, London SW20 8SA, UK.**

Telephone: **+44 (0) 20 8543 3131**

Air Transportation

PAG Ltd. hereby declares that the PAG L95 and L95e Lithium-Ion batteries have a watt-hour rating of 95Wh. This rating is in compliance with Section 2.3.5.9 of the 50th Edition of the IATA Dangerous Goods Regulations (2009). These batteries are therefore suitable for air transport as non-hazardous articles.

PAG Li-Ion batteries have been tested by ETL Semko UK and certified to comply with United Nations Specification ST/SG/AC.10/11/Rev 4.

PAG L95 Time Batteries: Test Report Number 05018716

PAG L95e Batteries: Test Report Number 1109020113
